Don't know if this helps...The Drug Enforcement Administration has six (6) manuals available upon request.

Administrative Manual

Planning & Inspection Manual

Agents Manual

Diversions Investigators Manual

Laboratory Operations Manual

I have also heard rumors (no substantiation) that there are also:

A Guide to Canine Interdiction

Clandestine Laboratory Guide for Agents and Chemists

Analysis of Drugs Manual

Basic Training Program for Forensic Drug Chemists

Forensic Chemist Training Manual

Available from:
